Remarks

Spacious home in growing area! This home sits on a HUGE yard and offers space for the entire family. On the main level you are greeted by a large foyer entry, and a living space. Formal dining is next and the rear is an open concept of kitchen and an additional living space. The kitchen offers plenty of space for gathering and storage, + food prep island. There is one bedroom and one bathroom on the main level. Upstairs is a great size loft and four additional bedrooms. Laundry is also upstairs. You won't believe all the space you have unless you see it for yourself. You have access to the community pool and the neighborhood of Murabella is 5 minute drive from I-95 and you have multiple shopping centers directly next to the neighborhood, and just minutes to the schools. Pets permitted based on approval. Pictures are from before current tenant, updated photos coming soon.
